

Gfp 400 Series Top Heat Laminators

Increase profits with a variety of popular Pressure-Sensitive applications.

The **Gfp 400 Series** laminators are money makers. Easy to operate, they're a favorite with operators that prefer a simple time-saving set-up and variable roller gap adjustment. Ruggedly built for applications that require overlamination, mounting or the pre-coating of boards, the 400 Series laminators are **available in 55" and 63" widths**. Thanks to oversized rollers and 1 inch roller gap, you'll be making money in no time.
